

Slimming Ingredients Spain 2008

2 & 3 October

Slimming Ingredients Network Session

**Participation Form (*Free of charge*) & Registration at special price
for ISANH/JSA Participants**

To accelerate and promote networking on the slimming field, a networking session will be held to establish collaboration between academics, ingredient producers, and health marketing companies.

This session will offer the opportunity to:

- Meet with key opinion leaders in health sector
- Connect with researchers and discuss scientific collaboration
- Inspire innovations, and hear opinions from market insiders
- Establish contact with new clients and distributors

To participate at this session, please register your data:
